Assembly/disassembly kit for silent-blocks & bearings

Reference : OM 9391BL

Item name	Assembly/disassembly kit for silent-blocks & bearings
Bar code	3700461405716
Introduction	This ultra-complete universal kit is the professional solution for removing and installing silent-blocks, wheel bearings and ball joints. It allows you to work directly on the vehicle, avoiding the need for complete dismantling of suspension arms or the systematic use of a hydraulic press.
Text	Designed for maximum versatility, this kit includes a wide range of pressure bushes and robust threaded rods capable of withstanding high extraction forces. Thanks to its numerous adapters, it covers virtually all light and commercial vehicle fleets. Its use guarantees clean, precise work, preserving the integrity of new components during installation. It's the essential investment for saving precious time on the most complex ground connection operations, while ensuring total safety for the operator.
Contents	Contents: - 4 tension rods with nuts on bearings: M10, M12, M14, M14 - 2 support rings - Sets of bushings: 46x36, 58x48, 70x60, 82x72, 80x70, 68x58, 56x36, 44x34 74x64, 62x52, 50x40, 60x50, 48x38, 72x62 78x68, 66x56, 54x44, 76x66, 64x54, 52x42
Warranty period	2 years
Tariff code	Tariff Normal (TN)

Product range B-Line

Warranty Procedure EASY

***Public price Exl. Tax : €179**

*Applicable user fees from 01/09/2026 to 31/08/2027
