

## 3/8" double hex insulated socket 11mm

Reference : OE 0234

**Item name** 3/8" double hex insulated socket 11mm

**Bar code** 3700461406041

**Text** This socket is specifically designed for use on hybrid and/or electric vehicles. In order to guarantee an optimal comfort of use, the insulation around the socket is as thin as possible while guaranteeing a good grip and a good adhesion with gloves.  
The double layer of insulation in two different colors makes it possible to identify at a glance if the insulation (orange color) is damaged and therefore rendered unusable.  
This socket is electrically insulated, tested to 10000 V and approved to 1000 V AC.

**Warranty period** lifetime

**Recesses** Double Hex female

**Voltage** 1000V

**Length (mm)** 45 mm

**Width** 21 mm

**Recesses size** 11mm

**Tariff code** Tariff Normal (TN)

**Drive** 3/8"

**Warranty Procedure** EASY
