12mm 3/8" insulated hexagon socket

Reference : OE 0235

Item name	12mm 3/8" insulated hexagon socket
Bar code	3700461406058
Text	This socket is specifically designed for use on hybrid and/or electric vehicles. In order to guarantee an optimal comfort of use, the insulation around the socket is as thin as possible while guaranteeing a good grip and a good adhesion with gloves. The double layer of insulation in two different colors makes it possible to identify at a glance if the insulation (orange color) is damaged and therefore rendered unusable. This socket is electrically insulated, tested to 10000 V and approved to 1000 V AC.
Warranty period	lifetime
Recesses	Double Hex female
Voltage	1000V
Length (mm)	45 mm
Width	21 mm
Recesses size	12mm
Tariff code	Tariff Normal (TN)
Drive	3/8"
Warranty Procedure	EASY

***Public price Exl. Tax : €25**
