Premium insulated side cutters

Reference : OE 0528

Item name	Premium insulated side cutters
Bar code	3700461407017
Introduction	Insulated cutting pliers 1000V.
Text	These pliers are specifically designed for use on hybrid and/or electric vehicles. To ensure optimum user comfort, the insulation around the pliers' handle is as thin as possible, while guaranteeing a good grip and good adhesion with gloves. The double layer of insulation, in 2 different colors, makes it possible to identify at a glance if the insulation (orange color) is damaged and therefore rendered unusable. The pliers are electrically insulated, tested to 10000 V and approved to 1000 V AC.
