

PREMIUM INSULATED PLIERS SIDE CUTTER

Reference : OE 0528

Item name	PREMIUM INSULATED PLIERS SIDE CUTTER
EAN code	3700461407017
Intro	Insulated cutting pliers 1000V.
Text	<p>This plier is specifically designed for use on hybrid and/or electric vehicles. In order to guarantee an optimal comfort of use, the insulation around the plier is as thin as possible while guaranteeing a good grip and a good adhesion with gloves.</p> <p>The double layer of insulation in two different colors makes it possible to identify at a glance if the insulation (orange color) is damaged and therefore rendered unusable.</p> <p>This plier is electrically insulated, tested to 10000 V and approved to 1000 V AC.</p>
Product highlight	<p>Safety: wear indicator</p> <p>Lifetime warranty</p>
