

## Premium insulated cable cutter

Reference : OE 0560

**Item name** Premium insulated cable cutter

**Bar code** 3700461407161

**Introduction** Insulated cable cutter and stripper.  
For cutting small copper and Aluminum cables.  
Also suitable for stripping small cross-section cables.

**Text** **STRIPPING FUNCTION**  
Use the small notch near the end of the tool head to cut the sheath, using a rotating movement to cut the sheath around its entire circumference, then pull the sheath to slide it off.

**CUTTING FUNCTION**  
Use the large central notch to cut the cable.

- special double-edged cutting edges for comfortable cutting.
- special cutting geometry ensures clean, crush-free cutting of Cu and Alu conductors with minimum physical effort.
- insulating reinforcements at the ends of the arms to protect against impact.
- high-performance chrome-vanadium steel.

Color differentiation between the 2 insulating layers enables visual inspection of the entire tool to confirm its suitability for use in an electrical environment, as recommended by UTE18-510 and IEC 60900.

WHEN THE ORANGE LAYER IS DAMAGED AND THE RED LAYER IS VISIBLE =

DANGER.

- the thickness of the insulating layers is determined by the weight of the tools to ensure optimum resistance
- tools are designed to withstand extreme temperatures from -20 to +70°C
- each tool is tested to 10,000V AC and approved to 1000V AC for use on low-voltage networks
- several controls at every stage of production, in addition to IEC 60900 standard controls

**Product highlight** Safety: wear indicator  
Lifetime warranty

**Specifications** Specifications :  
- opening: 16mm  
- length: 205mm  
- copper: 16mm<sup>2</sup>, aluminum  
- Aluminum: 35mm<sup>2</sup> (1.5in)  
- weight: 340g

**Warranty period** lifetime

**Voltage** 1000V

**Length (mm)** 205 mm

**Tariff code** Tariff Normal (TN)

**Warranty Procedure** EASY

**\*Public price Exl. Tax : €79**

\*Applicable user fees from 01/09/2025 to 31/08/2026
