Premium insulated cable cutters

Reference : OE 0560

Item name	Premium insulated cable cutters
Bar code	3700461407161
Introduction	Insulated cable cutter and stripper. For cutting small copper and Aluminum cables. Also suitable for stripping small cross-section cables.
Text	STRIPPING FUNCTION Use the small notch near the end of the tool head to cut the sheath, using a rotating movement to cut the sheath around its entire circumference, then pull the sheath to slide it off. CUTTING FUNCTION Use the large central notch to cut the cable. - special double-edged cutting edges for comfortable cutting. - special cutting geometry ensures clean, crush-free cutting of Cu and Alu conductors with minimum physical effort. - insulating reinforcements at the ends of the arms to protect against impact. - high-performance chrome-vanadium steel. Color differentiation between the 2 insulating layers enables visual inspection of the entire tool to confirm its suitability for use in an electrical environment, as recommended by UTE18-510 and IEC 60900. WHEN THE ORANGE LAYER IS DAMAGED AND THE RED LAYER IS VISIBLE =

DANGER.

- the thickness of the insulating layers is determined by the weight of the tools to ensure optimum resistance
- tools are designed to withstand extreme temperatures from -20 to +70°C
- each tool is tested to 10,000V AC and approved to 1000V AC for use on low-voltage networks
- several controls at every stage of production, in addition to IEC 60900 standard controls

Product highlight Safety: wear indicator
Lifetime warranty

Specifications Specifications:
- Opening: 16 mm
- Length: 205 mm
- Copper: 16 mm²
- Aluminum: 35 mm²
- Weight: 340 g

Warranty period lifetime

Voltage 1000V

Length (mm) 205 mm

Tariff code Tariff Normal (TN)

Warranty Procedure EASY

***Public price Exl. Tax : €79**
*Applicable user fees from 01/09/2026 to 31/08/2027
