

Premium insulated cable cutters

Reference : OE 0560

Item name Premium insulated cable cutters

Bar code 3700461407161

Introduction Insulated cable cutter and stripper.
For cutting small copper and Aluminum cables.
Also suitable for stripping small cross-section cables.

Text **STRIPPING FUNCTION**
Use the small notch near the end of the tool head to cut the sheath, using a rotating movement to cut the sheath around its entire circumference, then pull the sheath to slide it off.

CUTTING FUNCTION
Use the large central notch to cut the cable.

- special double-edged cutting edges for comfortable cutting.
- special cutting geometry ensures clean, crush-free cutting of Cu and Alu conductors with minimum physical effort.
- insulating reinforcements at the ends of the arms to protect against impact.
- high-performance chrome-vanadium steel.

Color differentiation between the 2 insulating layers enables visual inspection of the entire tool to confirm its suitability for use in an electrical environment, as recommended by UTE18-510 and IEC 60900.

WHEN THE ORANGE LAYER IS DAMAGED AND THE RED LAYER IS VISIBLE =

DANGER.

- the thickness of the insulating layers is determined by the weight of the tools to ensure optimum resistance
- tools are designed to withstand extreme temperatures from -20 to +70°C
- each tool is tested to 10,000V AC and approved to 1000V AC for use on low-voltage networks
- several controls at every stage of production, in addition to IEC 60900 standard controls

Product highlight Safety: wear indicator
Lifetime warranty

Specifications Specifications :
- opening: 16mm
- length: 205mm
- copper: 16mm², aluminum
- Aluminum: 35mm² (1.5in)
- weight: 340g

Warranty period lifetime

Voltage 1000V

Length (mm) 205 mm

Tariff code Tariff Normal (TN)

Warranty ProcedureEASY

***Public price Exl. Tax : €79**

*Applicable user fees from 01/09/2025 to 31/08/2026
