

Master kit for VW station sensors (24pcs)

Reference : OC 9124

Item name Master kit for VW station sensors (24pcs)

Bar code 3700461407963

Text Allows parking sensors to be installed in the new bumper when it has to be replaced, e.g. following an accident.
The punch ensures precise work results and clean holes with burr-free edges. In this way, the original shape is guaranteed even after the repair.
The centering device helps to position the sensor support precisely in the center of the hole, so that it can be glued in place later on.
