Introduction	Perfumed purifying spray for the cleaning and purification treatment of the car interior.
Text	

Thanks to its vertical spray, it purifies the environment and eliminates bad odors from fabrics, carpets and surfaces, giving off a pleasant scent.
For a complete purification and cleaning treatment of the car, it is recommended to use it in combination with purifying sprays with straw for evaporators and air ducts or with foaming purifying sprays.
You can protect your vehicle against mold, mildew and bacteria.
