

CYLINDER LEAK TESTER

Reference : AC 0816

Item name	CYLINDER LEAK TESTER
EAN code	3701555306599
Intro	<p>The automotive market is evolving, the trend is towards smaller engines that generate the same power, which leads to various problems: even small differences in cylinder tightness can strongly affect the behavior of these engines.</p> <p>The cylinder leakage test is therefore becoming a must!</p>
Text	<p>Connects directly to the universal pressure tester ref. AC 0800 or to the pressure gauge included in the kit.</p> <p>Ideal for guarantees and traceability thanks to the possibility of recording and printing the test report. (When used with AC 0800)</p> <p>The leak test will quickly tell you what the problem is (intake, exhaust, segmentation).</p>
Product highlight	Precise diagnosis
Specifications	<p>Specifications:</p> <ul style="list-style-type: none">- Fittings: M10, M12 and M14 <p>Can be connected to all gasoline and diesel compression fittings of the AC 0800</p>
Warranty period	2 years
Tariff code	Tariff Normal (TN)
Warranty Procedure	DIAGNOSTIC
