Screen adhesive cartridge 290ml

Reference : CO 1041

Item name	Screen adhesive cartridge 290ml
Bar code	3700461488658
Introduction	290 ml MS polymer adhesive for the rapid bonding of automotive windshields and auto glass.
Text	MS polymer adhesive designed for bonding windshields, rear windows, and side windows. Its strong initial tack minimizes the risk of the bead sagging and makes it easier to hold the auto glass in place during installation. Thanks to its built-in primer, it can be applied directly and reduces the time required to replace the auto glass. The vehicle can be returned to service quickly after the repair, even if it is equipped with airbags.
Product highlight	Use without primer
Specifications	Specifications: - MS polymer - built-in primer - application width: 10 to 14 mm - curing time: 2 hours to full cure (at 20°C) - hardness: SHORE 60
Contents	1 290-ml cartridge of windshield adhesive

Advice	Also available in boxes of 12
