

250ml BIOETHANOL INJECTOR CLEANER

Reference : CO 1085

Item name	250ml BIOETHANOL INJECTOR CLEANER
Bar code	3701555311494
Introduction	Ideal for cleaning and stabilizing bioethanol over long periods of engine operation. Prevents drying out and improves lubrication
Text	Neutralizes acid derivatives (pH control). Avoids the risk of biofuel demixing associated with prolonged storage. Prevents deposits (gum, resin, varnish, etc.) and disperses condensation water. Enhances lubrication. Protects the entire combustion system against corrosion. Cleans the injection system, restoring operating reliability. Improves bio-fuel combustion for greater eco-compatibility, helping to comply with anti-pollution standards.
Product highlight	No disassembly required. Mix directly with fuel
Specifications	Easy to use without dismantling or immobilizing the vehicle. Concentrated formula treats up to 20 liters of bioethanol with a dose of 20ml (1:1000 ratio). Preventive or curative formula Does not damage injection system seals
Advice	Disponible également par carton de 24
Warranty period	No warranty (consumable)
Vehicle type	LV
Capacity (ml)	250 ml

Capacity (l) 0.25 l

Tariff code Tariff Normal (TN)

Warranty Procedure NO

Consumable type Cleaner
