

ETHANOL E85 CONTROL ADAPTERS

Reference : AC 0818

Item name	ETHANOL E85 CONTROL ADAPTERS
EAN code	3701555311807
Intro	Quickly and safely check the percentage of ethanol in the fuel system.
Text	<p>Due to the huge price difference between E85 and regular gasoline, vehicle owners often fill up their tanks with E85 in unsuitable vehicles, resulting in :</p> <ul style="list-style-type: none">- engine combustion problems- engine knocking- ignition of the engine light on the dashboard- to the point where the engine cannot be started <p>The fault codes read by the diagnostic unit do not refer to the vehicle's actual malfunction, and lead to the replacement of non-defective and often costly parts.</p> <p>This kit includes OEM adapters for connection to the vehicle, as well as the probe and its cable, and is intended for use with AC 0800 tablet.</p> <p>Simply connect the kit using the appropriate adapter and let the engine idle for a few seconds.</p> <p>The tablet, in its "FlexFuel" test mode, will give you the exact percentage of ethanol in the fuel.</p>
Product highlight	Fast intervention
Contents	Contents:

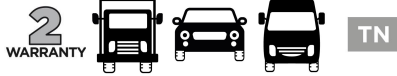

- adapter set for OEM connectors
- ethanol probe + cable to connect to tablet
