

Double headband headlamp

Reference : OE 0199BL

Item name	Double headband headlamp
Bar code	3701555316024
Introduction	Free your hands and eliminate shadows with the OE 0199BL. Designed for total light immersion, this double-headband headlamp offers ultra-wide 230° lighting, ideal for Engine and chassis work where peripheral visibility is critical.
Text	<p>230° panoramic lighting: the double COB LED strip eliminates the "tunnel" effect of conventional lamps, for a global view of the work area.</p> <p>Motion sensor: Contactless switching on and off with a simple wave of the hand, ideal for keeping the tool clean during dirty handling.</p> <p>Dual Light Source: Combines a wide beam for proximity and a high-power side spot for precise remote inspection.</p> <p>Autonomy & USB-C recharging: High-capacity lithium battery for a day's work, quickly recharged via universal USB port.</p> <p>Extreme comfort: Adjustable, ultra-light, non-slip headband, compatible with helmets or protective caps.</p>
Product highlight	Light and powerful
