Mini hand lamp

Reference : OE 0299

Item name	Mini hand lamp
Bar code	3701555316000
Introduction	Don't let its size fool you: the OE 0299 is the ultimate lighting solution for the workshop. Ultra-compact and powerful, it fits into the darkest corners where standard inspection lamps can't reach—and it fits right in your pocket! A powerhouse of efficiency that you can hang anywhere.
Text	Ultra-compact "Pocket" format: Its reduced size makes it easy to handle and store directly in the pocket of the suit, ready for use. High-intensity LED lighting: Equipped with COB technology for a wide, homogeneous, glare-free beam, ideal for rapid mechanics inspections. Magnetic Mount & Clip: Powerful magnet on the back and integrated belt clip for "hands-free" work on body repair, chassis or workbenches. Rechargeable & Standalone: Internal Lithium-ion battery with charge indicator, rechargeable via USB-C for full compatibility with your current chargers. Robust design: oil splash and shock resistant (IK07), meeting the daily demands of automotive use.
Product highlight	Compact, pocket-sized!
Specifications	Specifications: - Dual COB LED lighting - Brightness: 500/6,000 lumens - Run time: 1.5 to 8 hours - Charge time: 3 hours
