Extra-flat inspection lamp

Reference : OE 0399

Item name	Extra-flat inspection lamp
Bar code	3701555316017
Introduction	The OE 0399 combines an ultra-slim design with powerful lighting to reach even the hardest-to-reach areas. Larger than the OE 0299, it provides a wider illuminated area.
Text	Aluminum Extra-Plat profile: Extremely slim lighting head for total accessibility in the most congested areas of the engine compartment. High-intensity LED lighting: Equipped with COB technology for a wide, homogeneous, glare-free beam, ideal for fast mechanics inspections. Magnetic Mount & Clip: Powerful rear magnet and integrated belt clip for "hands-free" work on body repair, chassis or workbenches. Rechargeable & Standalone: Internal Lithium-ion battery with charge indicator, rechargeable via USB-C for full compatibility with your current chargers. Robust design: oil splash and shock resistant (IK07), meeting the daily demands of automotive use.
