

Electric arc protection helmet with retractable face shield

Reference : OE 0312

Item name	Electric arc protection helmet with retractable face shield
Bar code	3701555317298
Introduction	Indispensable for all types of work involving electrical hazards.
Text	Face protection against thermal effects and flash (electric arc). Standards : - helmet: EN 397, EN 50365 (class 0), ANSI Z89.1 (class E) - shield: EN 166, EN 170, GS-ET-29 (class 1)
Product highlight	Compact, lightweight package
Specifications	Specifications : Helmet : - ABS shell, 4-point textile chinstrap, quick-release system - shock absorption and operating range from -30°C to +50°C - protection against molten metal splashes (MM) - protection against lateral deformation (LD) - protection against electric shock (Class 0), for operating voltage of 1000V (AC) / 1500V (DC) - head circumference adjustment: 53-63cm Display : - optical class 1

- UV protection (2C-1.2)
- medium-energy impact resistance
- protection against short-circuit arcing
- resistance to internal fogging
- protection against molten metal splashes
- obsolescence date: 5 years

Warranty period No warranty (consumable)

Tariff code Tariff Normal (TN)

Warranty Procedure NO

***Public price Exl. Tax : €219**

*Applicable user fees from 01/09/2025 to 31/08/2026
