Shoulder tool bag

Reference : EG 3110

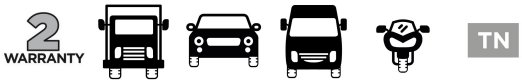

Item name	Shoulder tool bag
Bar code	3701555318202
Introduction	Sturdy, versatile, and functional, this bag is your perfect companion for all your jobs. Its large capacity lets you carry up to 4 inserts (1/3) of CLAS tools, your loose tools, and your portable power tools. Its multiple storage compartments, both inside and out, keep every tool in its place and within easy reach, ensuring greater efficiency in the field.
Text	Maximum Mobility and Protection Convenient transport: take your tools with you wherever you go. The bag can be carried by hand thanks to its sturdy, reinforced handles, or on the shoulder via the adjustable shoulder strap, guaranteeing total freedom of movement. Shock protection: The bag's rigid bottom (shell) provides optimum protection for your tools against moisture and ground impact, ensuring reliable use whatever the working conditions. Increased safety: integrated reflective strips increase the bag's visibility when working in low-light conditions. Modular storage Flexible organization: You have complete freedom to organize your equipment. Position your tools either loose for larger volumes, or in an orderly fashion in the numerous internal and external compartments. (This bag can hold up to 4 CLAS tool inserts).
