Reference : EG 3120

Item name	Wheeled suitcase
Bar code	3701555318219
Introduction	Designed for on-site work, this sturdy and modular case can hold up to 25 kg of equipment. Compatible with 6 (1/3) CLAS tool sets, it can also hold loose tools and portable power tools. Its numerous interior and exterior compartments make it easy to organize equipment and access it during jobs.
Text	Handling and protection All-terrain transport: take your tools everywhere, effortlessly. Two-material spiked castors and a telescopic handle ensure optimum comfort. Two grip options are available: the telescopic handle or the sewn and riveted handles. Maximum sturdiness: The hard-shell bottom fully protects your tools from moisture and impact, ensuring reliable use in all conditions. Safety: Integrated reflective strips increase the case's visibility on the job site. Storage Pro Modularity: You can organize your tools à la carte: either loose, or stored in the numerous compartments, or using a foam insert in 1/3 trolley format.
