

Backpack

Reference : EG 3130

Item name Backpack

Bar code 3701555318226

Introduction This sturdy bag is practical for small outdoor jobs, thanks to its multiple interior and exterior storage compartments.
It can accommodate a multitude of tools thanks to its various interior pockets and sewn-on elastic loops.

Text Ergonomics and Pro Protection
Hands-free comfort: ergonomic shoulder straps (or handle) guarantee easy transport. Take your tools with you wherever you go.
Anti-Shock Protection: The hard-shell bottom protects your tools from moisture and impact, ensuring reliable use whatever the working conditions.
Safety: Integrated reflective strips optimize the bag's visibility when working.

Flexible storage and workspace

XL organization: this bag offers great flexibility in tool storage, whether loose or stowed away. Take advantage of the multiple external zipped pockets and internal compartments (pockets, elastane loops) to keep your tools in order.

Optimal working comfort: the two reinforced rear pockets offer a stable and practical working space when the central zip is fully open, facilitating access to your essential tools in the field.
