

## Backpack

Reference : EG 3130

**Item name** Backpack

**Bar code** 3701555318226

**Introduction** This sturdy bag is practical for small outdoor jobs, thanks to its multiple interior and exterior storage compartments. It can accommodate a multitude of tools thanks to its various interior pockets and sewn-on elastic loops.

**Text** Carried by the handle or on the back thanks to the shoulder straps, you can take your tools anywhere, either loose or stored in the compartments. This bag offers great flexibility for tool storage, thanks to its multiple external zipped pockets and internal storage spaces (pockets, elastane loops). The bottom of the bag is made of a rigid shell, so it can be used on any occasion, while protecting your tools. Reflective strips optimize the bag's visibility. The 2 rear outside pockets are reinforced: when the central zip is fully opened, they provide optimum working comfort.
