Windshield repair roller cabinet

Reference : EG 9988

Item name	Windshield repair roller cabinet
Bar code	3701555317458
Introduction	This tool cabinet contains all the tools needed for installing, removing, and repairing bonded or beaded windshields. It supports various cutting methods—using a knife or wire—and includes the equipment needed for impact repair.
Text	Contents can be used for free-standing and bonded windscreens, as well as for impact repair. You can work in different ways: - with the cutting knife, using manual traction - with single- or 2-operator ropes The servo unit is ideal for creating a windshield-dedicated business, with an ergonomic, all-in-one workstation.
Product highlight	An all-in-one, mobile, and well-organized solution, ideal for starting or expanding an auto glass workshop business.
