

AIR CONDITIONING LEAK STOP FOR R134a 30ml

Reference : CO 4065

Item name	AIR CONDITIONING LEAK STOP FOR R134a 30ml
EAN code	3700461482991
Intro	Allows plugging micro-leaks in metal parts, hoses and joints. Saves time on hard-to-access leaks.
Text	<p>Specially designed product for the rapid repair of micro-leaks in air conditioning systems. The sealant introduced into the circuit begins to circulate until the leak is found. When it escapes, the product reacts with the air, hardens and permanently seals the micro-leak. Product in absence of polymer no risk of damage to the components of the circuit and/or the air conditioning station.</p> <p>Non-pressurized bottle containing no propellant gas. No gas is injected: no risk of overpressure or damage to the circuit (unlike syringes and aerosols). The bottle contains a liquid which is sucked by the vacuum previously created in the circuit.</p>
Product highlight	Economical solution
Specifications	Usable R12, R134a. Recommended for vehicles containing up to 350ml of lubricant.
Advice	Also available in box of 35
Warranty period	No warranty (consumable)

Capacity (ml) 30.00 ml
Capacity (l) 0.03 l
Tariff code Tariff Normal (TN)
Warranty Procedure NO
Consumable type Additive
