Reader default code ObdII

Reference : AC 5248

Item name	Reader default code ObdII
Bar code	3701555321882
Text	This OBDII reader is designed for your car's "Engine" management system ("Engine" light). It includes basic OBDII functions such as: reading and deleting error codes with their designations, reading "real-time" data, displaying freeze frame, displaying I/M readiness, and displaying vehicle information. Note: In the event of a "permanent code" being read by the device, the OBDII reader will be able to clear the fault code and switch off the engine light only when the necessary repairs have been carried out. Multilingual: English, French, German, Spanish and Portuguese.
