

## Digital automatic air conditioning station R1234yf

Reference : AC 9344

**Item name** Digital automatic air conditioning station R1234yf

**Bar code** 3701555322247

**Introduction** Easy-to-use digital machine.

With printer and heating belt!

**Text** Intuitive air-conditioning service station for :

- Automatic recovery / recycling
- Automatic refrigerant charging
- Automatic vacuum / vacuum test
- Automatic oil charge and discharge

This simple station makes it easy to work on combustion, hybrid and electric vehicles.

Thanks to its 7" touch screen, you'll have all the information you need to carry out and monitor your work.

A complete database with free lifetime updates, plus an integrated printer for printing out service reports (with registration and name).

A USB port lets you save the last 20 interventions directly from the station onto a USB key.

Automatic maintenance alarm to ensure longevity.

Machine maintenance: ISO68 VACUUM PUMP OIL 1L or 5l (CO 6141 or CO 6142)

**Product highlight** Free LIFETIME update + LV/LV/LHV database
