Safety sneakers trio grey size 44

Reference : AP 8044

Item name	Safety sneakers trio grey size 44
Bar code	3701555322438
Introduction	Our Trio safety sneaker is manufactured and certified in accordance with the new (EU) regulation 2016/425, accompanied by EN ISO 20345:2011 or EN ISO 20347:2012 anti-slip SRC.
Text	This Class 3 (S3) safety shoe features a high-quality inner lining for enhanced breathability. It combines lightness and flexibility. Non-magnetic, non-metallic and water-repellent. The sole is made of E.V.A + rubber, the perfect combination: While EVA provides cushioning and elasticity, rubber gives the sole maximum grip on all surfaces (SRC anti-slip). The sole is hydrocarbon-resistant, anti-static with heel shock absorption and HRO (resistant to 300°C). The orthopedic comfort insole is removable and can be replaced with other insoles.
Product highlight	Lightweight and comfortable
Specifications	Specifications: - fiberglass toe cap - hydrocarbon-resistant sole - antistatic sole - anti-perforation textile insole - waterproof
