Led dent removal lamp

Reference : OE 1231

Item name	Led dent removal lamp
Bar code	3701555323800
Introduction	The USB LED lamp highlights impacts that are difficult to see with the naked eye.
Text	This LED inspection light is easy to attach to any bodywork, thanks to its versatile system: a sturdy suction cup or an integrated magnet ensure fast, secure installation, even on vertical surfaces. Mounted on a flexible 55 cm ball-and-socket joint, it offers total freedom of movement. You can precisely adjust the light output to illuminate each work area effortlessly. Its high-performance LED provides neutral white light (? 455-457 nm) with a wide illumination angle (up to 140°), guaranteeing excellent visibility. The lamp is supplied with a USB power cable, convenient for use with an external battery, mains charger or vehicle USB port.
Product highlight	Light and powerful
