Wireless-compatible digital multi-pressure tester

Reference : AC 0920

Item name	Wireless-compatible digital multi-pressure tester
Bar code	3701555324456
Introduction	NEW VERSION of our famous AC 0800 digital pressure gauge, now compatible with the AC 0925 wireless option for easy road tests. This upgraded version also features a more powerful processor, completely redesigned menus for optimum ergonomics, increased memory, and fast USB-C charging. This universal digital measurement tool can be used to check all types of pressure, whether pneumatic or hydraulic, in order to compare the physical and real values of the circuit with those transmitted by the sensors via the diagnostic readout. Thanks to this comparison, you can quickly identify the source of a fault, whether mechanical or electrical.
