Windshield repair kit

Reference : OC 2501

Item name	Windshield repair kit
Bar code	3701555324487
Introduction	Professional 3-in-1 kit for the complete repair of stone chips on windshields, resulting in a repair that is up to 95–98% invisible after curing.
Text	Its main difference lies in the thermal preparation of the impact area prior to injection, in order to facilitate the removal of moisture and water from the area to be repaired. Its 3-position system combines: - heating up to approx. 60 °C, followed by cooling down to approx. 20 °C - pressure injection of the resin and vacuum application - rapid UV curing in 30 seconds - resin included for 35 repairs - removable insert that attaches to the windshield to keep the kit within easy reach - cordless, rechargeable power tools - repair time: 5 to 7 minutes
Product highlight	A comprehensive Expert solution, from preparation through polymerization
Contents	Contents: - 3-in-1 repair kit - 3.6 V glass drill with charging cable - ball-tipped glass drill bits (5) - pressure/vacuum piston with syringe
