Bar code	3701555324852
Introduction	Discover CAMEL BLACK safety sneakers: lightweight, comfortable and EN ISO 20345 compliant. Ideal for combining style and protection in professional environments.
Text	CAMEL BLACK safety sneakers are designed for reliable protection and exceptional comfort. With their non-metallic fiberglass shell, they guarantee uncompromising lightness and safety. The suede and microfiber upper ensures robustness and breathability, while the anti-slip, anti-static outsole provides optimum grip on smooth or rough surfaces. The lightweight, flexible and antimagnetic anti-perforation textile insole enhances safety while preserving comfort. What's more, the removable PU insole with shape memory provides superior cushioning for prolonged use. These S1PS - SR - FO - ESD safety sneakers are perfect for professionals looking for durable, ergonomic footwear that complies with the latest standards.
