High-top safety sneakers camel Black size 39

Reference : AP 3239

Item name	High-top safety sneakers camel Black size 39
Bar code	3701555324944
Introduction	Opt for maximum protection with HIGH TOP AP32 high-top safety sneakers: robust, comfortable and EN ISO 20345 compliant. Perfect for demanding environments.
Text	HIGH TOP AP32 high-top safety shoes offer enhanced safety and lasting comfort. Designed with an action nubuck upper, they guarantee durability and style. The non-metallic fiberglass toe cap provides lightweight protection, while the EVA rubber sole is slip-resistant, antistatic and heat-resistant up to 300°C (HRO). The anti-puncture textile insole is lightweight, flexible and anti-magnetic, providing effective protection against the risk of puncture. For superior comfort, the removable PU insole with shape memory adapts to the shape of the foot. These S3S - HRO - SR - FO - ESD safety sneakers are ideal for professionals looking for robust, ergonomic footwear that complies with the latest standards.
