

## Unlocking secure gateway VAG 1 year

Reference : TKVAG

**Item name** Unlocking secure gateway VAG 1 year

**Bar code** 3701555325361

**Introduction** VAG secure gateway license

Product available for sale in France only.

**Text** When the diagnostic function requires SGW unlocking, please follow the software instructions to perform the operation.

Alternatively, you can prepare in advance by following the steps below:

- a. Fill in your personal details in [Settings] ? [Business information] ? [SGW registration]. After downloading, the exam will take about 2 days.
- b. Enter the T code in the pop-up window that appears to activate the function.
- c. Download the Google Authenticator application to your mobile device in advance. Due to VAG's data security requirements, the first time the gateway unlock function is used, it is necessary to link Google Authenticator. Each time, a dynamic verification code must be entered to unlock the gateway
