

THINKSCAN HGV 5" DIAGNOSTIC TOOL

Reference : 30001107

Item name	THINKSCAN HGV 5" DIAGNOSTIC TOOL
Bar code	3701555326252
Introduction	Professional diagnostic tool designed for trucks, buses and commercial vehicles.
Text	Intended for technicians specializing in heavy-duty vehicles, it enables complete diagnosis of the main ECUs: ABS, SCR, braking systems, engine and transmission. Covering over 70 truck makes.
	Its 5-inch touchscreen and fluid Android system make it easy to use, while online updates via Wi-Fi, free for 2 years, ensure that the tool is always up to date.
	Compatible with a wide range of makes and models, thanks to support for J1939, J1708, CAN-FD and OBD-II protocols, it is an indispensable piece of equipment for HGV workshops.
	<p>In a nutshell:</p> <p>In-depth analysis of electronic modules: engine management, ABS, transmission, SCR emission control system and other on-board ECUs.</p> <p>Reads and eliminates fault codes on commercial vehicles, trucks and vans.</p> <p>Initiate DPF/FAP regeneration to restore exhaust system efficiency.</p> <p>Program and calibrate injectors after replacement or servicing.</p> <p>Reset AdBlue system (SCR) and electronic parking brake.</p> <p>Speed limiter readjustment, available according to vehicle configuration.</p> <p>Cylinder-by-cylinder deactivation test to check engine balance.</p>

Live visualization of parameters in the form of graphs or dynamic tables.
Automatic vehicle identification via Auto VIN, for immediate time savings.
Control of I/M systems, O2 sensors and EVAP circuits on 12 V commercial vehicles via OBD-II interface.

- 8 reset modules:
DPFS regeneration, oil change reset, injector coding, clutch pairing, brake reset, SCR reset, speed limit reset, cylinder test.

Product highlight 2 years of free updates

Specifications
Specifications:
- storage: 64GB
- ram: 2Gb
- 3150mAh/3.7V battery
- 5" display
- 1.2m diagnostic cable

Contents
Composition:
- diagnostic case
- oBD2 cable
- cAT-9 adapter
- oBD-6 adapter
- oBD-9 adapter
- uSB cable
- carrying case

Warranty period 2 years

Vehicle type HGV

Tariff code Tariff Equipment (TE)
