# Thinkscan hgv 5" diagnostic tool

Reference : 30001107

| | |
|---|---|
| **Item name** | Thinkscan hgv 5" diagnostic tool |
| **Bar code** | 3701555326252 |
| **Introduction** | Professional diagnostic tool designed for trucks, buses and commercial vehicles. |
| **Text** | Intended for technicians specializing in heavy-duty vehicles, it enables complete diagnostics of the main ECUs: ABS, SCR, braking systems, engines and transmissions. Covering over 70 makes of HGV.<br><br>Its 5-inch touchscreen and fluid Android system make it easy to use, while online updates via Wi-Fi, free for 2 years, ensure that the tool is always up to date.<br><br>Compatible with a wide range of makes and models, thanks to support for J1939, J1708, CAN-FD and OBD-II protocols, it is an indispensable piece of equipment for HGV workshops.<br><br>In a nutshell:<br>In-depth analysis of electronic modules: Engine management, ABS, transmission, SCR emission control system and other on-board ECUs.<br>Reads and eliminates fault codes on commercial vehicles, trucks and vans.<br>Initiate DPF/DPF regeneration to restore exhaust system efficiency.<br>Program and calibrate injectors after replacement or servicing.<br>Reset urea system (SCR) and electronic parking brake.<br>Speed limiter readjustment, available depending on vehicle configuration.<br>Cylinder-by-cylinder deactivation test to check engine balance. |

Live visualization of parameters in the form of graphs or dynamic tables.
Automatic vehicle identification via Auto VIN, for immediate time savings.
Control of I/M systems, O2 sensors and EVAP circuits on 12 V commercial vehicles via OBD-II interface.

- 8 reset modules:
DPF regeneration, Oil draining reset, Injectors coding, Clutch pairing, Brake reset, SCR reset, Speed limit reset, Cylinder test.

**Product highlight** 2 years of free updates

**Specifications** Specifications:
- storage: 64GB
- ram: 2Gb
- 3150mAh/3.7V battery
- 5" display
- 1.2m diagnostic cable

**Contents** Contents:
- diagnostic kit
- OBD2 cable
- CAT-9 adapter
- OBD-6 adapter
- OBD-9 adapter
- USB cable
- carrying case

**Warranty period** 2 years

**Tariff code** Tariff Equipment (TE)

**Warranty Procedure** EASY
