

Brake line copier

Reference : OM 8156

Item name	Brake line copier
Bar code	3701555328904
Introduction	Designed for workshop requirements, this kit enables precise, distortion-free bending of brake pipes directly on the vehicle (or in the workshop). A compact, efficient solution for the manufacture or rework of rigid pipes.
Text	Why choose this kit? - Controlled bending without crushing - Preserves the tube's inner diameter to ensure optimal fluid flow. - Direct on-vehicle use - Ideal for quick repairs without complete disassembly. - Compact and easy-to-handle design - Easy access in tight spaces. - Compatible with standard materials - Suitable for copper and cupronickel tubing. - Workshop productivity: fewer reworks and adjustments ? immediate time savings.
Product highlight	Compatible diameters: 4.75 mm to 6 mm (3/16" to 1/4")
Warranty period	2 years
Tariff code	Tariff Normal (TN)
Warranty Procedure	EASY
