TPMS diagnostic tool Venu I-Mini

Reference : 30000320

Item name	TPMS diagnostic tool Venu I-Mini
Bar code	3701555329161
Introduction	ThinkCar VENU-i Mini: TPMS diagnostics essentials in a mobile version
Text	The VENU-i Mini is an ultra-compact TPMS diagnostic tool designed for speed and efficiency in the workshop. Connected directly to your smartphone via the i-VENU app, it enables complete management of tire pressure sensors without the need for a cumbersome console. And, of course, it's compatible with the entire Thinkcar range. - Versatility Frequency: Supports 315 MHz and 433 MHz frequencies for maximum fleet coverage. - Functions : Activate, program and copy sensor IDs in seconds. - Total Mobility: Ultra-light "key" format, ideal for quick interventions or diagnostics at the reception desk. - Intuitive interface: Use via smartphone for constant updating of vehicle databases. APP: https://static.mythinkcar.com/apk/i-VENU.apk
