Angle grinder 125mm 20V brushless without battery

Reference : PW 3136

Item name	Angle grinder 125mm 20V brushless without battery
Bar code	3701555329413
Introduction	This new version of our 125mm 20V grinder optimizes workshop productivity thanks to three major improvements: - Total safety: Reinforced protection against overloads, abnormal operating conditions and an anti-restart system for maximum operator safety. - Constant power : Optimized stability under load to maintain constant rotation speed, even during intensive cutting or deburring operations. - Pro longevity: Reliable internal structure and reinforced components guarantee extended service life in demanding environments. More reliable, safer and more robust.
