9L Ultrasonic Cleaner Injector Holder

Reference : OE 7211

Item name	9L Ultrasonic Cleaner Injector Holder
Bar code	3701555330792
Introduction	Designed for professional injector cleaning, this stainless steel holder can hold up to 32 injectors in a 9-liter ultrasonic cleaner. Its four rows of different diameters accommodate the majority of gasoline, diesel, and heavy-duty injector tips on the market, ensuring a stable hold and uniform cleaning.
Text	Optimize the cleaning of your fuel injectors with this stainless steel holder, specially designed for 9-liter CLAS ultrasonic cleaners. It keeps the fuel injectors in a vertical and stable position during the cleaning cycle, ensuring uniform exposure to ultrasonic waves and preventing any contact between parts.
Specifications	Specifications: - Compatible with CLAS 9 L ultrasonic cleaners - 316L stainless steel - Dimensions: 345 x 119 mm - Thickness: 2 mm - Seamless, one-piece construction 32 slots total (4 rows of 8 holes)
