

Truck Brake Disc/Hub/Drum Mounts for HGV

Reference : OH 8020

Item name	Truck Brake Disc/Hub/Drum Mounts for HGV
Bar code	3701555331041
Introduction	<p>Specially designed to hold the entire hub assembly (hub, disc, and caliper) when replacing bearings on heavy trucks, buses, and industrial vehicles.</p> <p>The entire assembly can be disassembled directly on the stand with minimal effort, using a winch to remove the caliper and disc.</p> <p>Reduces the risk of accidents (back injuries, caliper falling on feet, etc.).</p>
Text	<p>Height-adjustable with a built-in, manually operated hydraulic cylinder. Excellent maneuverability in tight spaces thanks to four swivel casters (the rear ones have brakes)</p> <p>Suitable for all types of buses, trucks, and industrial vehicles, it ensures great versatility in workshop operations</p>
Product highlight	Reduces work time by up to 70%
