

13 block drain plugs kit

Reference : HU 2019

Item name	13 block drain plugs kit
Bar code	3700461415746
Text	<p>These plugs eliminate the problem of tapping damaged oil sumps, fitting in place of the original plug without further intervention.</p> <p>The thread pitch is the same as the original, but with a larger thread diameter.</p> <p>The use of these drain plugs does not require rethreading; they can be fitted directly.</p> <p>Each plug consists of a second plug.</p> <p>After fitting, the first plug remains mounted on the oil sump, while the second plug is used for subsequent oil changes.</p>
