Hot air gun 50-650°C

Reference : OE 6047

Item name	Hot air gun 50-650°C
Bar code	3700461457425
Introduction	This professional thermal stripper heats, shrinks or strips with extreme precision, thanks to its electronic temperature control. It's the ideal tool for delicate work on electrical harnesses (thermo-sheathing) or for forming plastic bodywork parts.
Text	Designed for intensive use in the workshop, this scraper stands out for its ergonomic design and rapid heat-up. Its digital display and precise adjustment steps enable it to adapt to any material without the risk of accidental burns, guaranteeing impeccable results on adhesives, paints or protective tubes. Its integrated stand also enables it to be safely free-standing on the worktop between uses, avoiding any contact with sensitive surfaces.
Specifications	Specifications: - LCD display - Last temperature stored - 5 airflow settings from 250 to 500 l/min - CHC = Constant Heat Control (protects against overheating and ensures continuous operation) - 3-position switch: Position 0 (Off); Position 1 (Cool air at 50°C to cool your workpieces or the tool); Position 2 (Operating mode). - Handle for comfortable use - Temperature range: 50–650°C (adjustable in 10°C increments)
Contents	Included: - 1 protective cap

- 1 flat cap
- 1 adapter cap
- 1 reflective cap
- 1 scraper

Warranty period	2 years
Power	2000W
Voltage	240V
More	Products with electrical plug
Cable length	2 m
Tariff code	Tariff Normal (TN)
Warranty Procedure	EASY

***Public price Exl. Tax : €129**

*Applicable user fees from 01/09/2026 to 31/08/2027
