Hydropneumatic mobile lifting column 1500kg

Reference : OH 9150

Item name	Hydropneumatic mobile lifting column 1500kg
Bar code	3700461462139
Introduction	1.5-metric-ton mobile lifting column, designed to lift a vehicle by the wheel or underbody to allow work at a suitable height and improve working comfort.
Text	Designed for maintenance and body repair operations, the lift column makes it easy to raise one side of the vehicle to work under better conditions. Depending on the task, the vehicle can be lifted by the wheel or the underbody. Its mobile design makes it easy to position around the vehicle and allows the working height to be adjusted to suit the task at hand, particularly for body repair.
Product highlight	Lifts the vehicle in less than a minute
