

pro pliers for rivets & locknuts

Reference : OM 0480

Item name pro pliers for rivets & locknuts

Bar code 3700461422362

Introduction These professional 2-in-1 pliers can be used to easily install blind rivets and crimping nuts, providing a robust and versatile fastening solution. It's the ideal tool for bodywork, utility fitting or repair work requiring threaded inserts.

Text Thanks to its interchangeable head system, the OM 0480 eliminates the need for multiple tools in the case. Its long, ergonomic arms reduce user effort, enabling the installation of threaded inserts or large-diameter rivets without excessive fatigue. Its sturdy, reinforced-steel design ensures maximum durability, even during intensive use in the workshop. Whether fastening accessories to a chassis or repairing body panels, it guarantees precise, perfectly-fitting crimping every time.
