

## Hollow punch set Ø3-Ø16mm

Reference : OM 0580

**Item name** Hollow punch set Ø3-Ø16mm

**Bar code** 3700461422430

**Introduction** This set of cutters makes clean, precise circular cuts in flexible materials such as gasket, leather, rubber or plastic. It's the ideal tool for making custom seals or piercing membranes without the risk of tearing.

**Text** Indispensable for maintenance and restoration work, this set offers great versatility thanks to its diameter range from 3 to 16 mm. The high-strength steel design of the cutters guarantees a long-lasting cutting edge and easy penetration, even in dense materials. The ergonomic chuck ensures stable, secure striking, enabling the technician to achieve greater precision than when cutting by hand with a cutter. Compact and well-organized, this set means you'll always have the right diameter on hand to deal with the unexpected in the workshop.
