Clutch alignment tool

Reference : OM 0617

Item name	Clutch alignment tool
Bar code	3700461422621
Introduction	This universal clutch centering device ensures perfect alignment of the clutch disc with the mechanism and flywheel during reassembly. It's the essential tool for preventing disc distortion and ensuring smooth gearbox insertion.
Text	No more guesswork when changing clutches: this kit allows manual centering of the disc on vehicles not fitted with a crankshaft guide bearing. Thanks to its various adapters, it covers a very wide range of light and commercial vehicles. Its ease of use considerably reduces labor time and prevents the risk of damage to the disc splines when coupling Engine and transmission. Its robust design ensures consistent precision, even after numerous uses in the workshop.
Product highlight	Extended Compatibility
Specifications	Specifications: - Length: 150 mm - Adapters: Ø15, 16, 17, 19, 20, 21, 23, 25 mm
Warranty period	2 years
Tariff code	Tariff Normal (TN)
Warranty Procedure	EASY
