Inverted thread impact socket set for damaged bolts

Reference : OM 0630

Item name	Inverted thread impact socket set for damaged bolts
Bar code	3700461456633
Introduction	This easy-to-use, efficient socket set makes it easy to remove damaged nuts and screws. Efficient, easy-to-use, ideal for screws and nuts. Thanks to their conical and helical shapes, the sockets grip the nut and won't let go. High-strength steel and self-locking spiral profile. Wide range of applications: Allen screws with cylindrical heads, drain plugs, nuts and anti-theft nuts.
Product highlight	Ultra-fine
