

Wheel mounting guide set M12-M14

Reference : OM 9320

Item name	Wheel mounting guide set M12-M14
Bar code	3700461491658
Text	<p>Specially designed guides to facilitate and accelerate the centering/mounting of wheels on the hub. Particularly suitable for VAG hubs, where the disc has no locking/centering screw and may rotate when the wheel is fitted, making bolt insertion difficult.</p> <p>The entire weight of the rim rests on the guide, reducing the risk of musculoskeletal disorders (MSD) and leaving the operator's 2 hands free to insert and tighten the bolts.</p>
Product highlight	Prevents wheel falls, prevents RSI
Specifications	<p>Can be inserted without screwing. Equipped with a plastic ring, they won't damage hub threads. For wheels with M12 and M14 bolts.</p>
Contents	<p>Contents :</p> <ul style="list-style-type: none">- magnetic holder- M12 guide- M14 guide- 2 spare M12 bushings- 2 spare M14 bushings
Options	Insert without screwing
Warranty period	No warranty (consumable)
