

18T hydraulic press pack + hydraulic/flexible/coupling air pump

Reference : OM 9383

Item name 18T hydraulic press pack + hydraulic/flexible/coupling air pump

Bar code 3700461469701

Introduction Universal tool for silent-blocs, ball joints, bearings or sealing rings. This pack enables fast, efficient and precise disassembly and reassembly, for safe working. With no need to remove chassis components such as suspension arms or running gear, you can work directly on the vehicle, saving considerable time and labor. It includes a hydraulic press box with support pressure bushes (L.40mm and L.110mm) in diameters from 26 to 60mm, and an 18T thrust cylinder for easy extraction of parts to be replaced.

Warranty period Not applicable

Maximum load (T) 18 T

Tariff code Tariff Normal (TN)
