# Power steering tester

Reference : AC 0310

| | |
|---|---|
| **Item name** | Power steering tester |
| **Bar code** | 3700461450785 |
| **Introduction** | This tool enables power steering hydraulic pumps to be checked by direct pressure measurement, according to circuit flow and at high temperatures, thanks to the reinforced hose.<br>It is simply installed on the high-pressure outlet of the hydraulic pump (or on a pressure tap, depending on the manufacturer).<br>It's a universal device, thanks to its different diameter connections. The pressure gauge supplied is set at 140 bar and can withstand 120°C.<br>This enables the user to make a reliable diagnosis of a vehicle safety component. |
| **Contents** | Contents:<br>- Pressure gauge (0–140 bar) with shut-off valve<br>- Reinforced hose (0–120 °C)<br>- Universal couplings for connecting the circuit to the pump |
| **Warranty period** | 2 years |
| **Tariff code** | Tariff Normal (TN) |
| **Warranty Procedure** | EASY |

***Public price Exl. Tax : €219**
